

## 10/15/20W SELECTABLE LED WEATHER-PROOF BATTEN

### Product Features

- High quality, robust polycarbonate diffuser
- Commercial grade quality and design
- Selectable power 10W, 15W and 20W with a DIP switch
- Integral constant current non-dimmable and flicker free LED driver

### Technical Specification

Model	SE-SP20-TC
Watts	10W-15W-20W Selectable
Input Voltage	AC 200-240V 50/60Hz
Colour Temp.	TRI Color: 3000K / 4000K / 6000K
Lumens Output	2200lm Max
CRI	Ra>80
Beam Angle	120°
Size	600* 92*76mm
IP Grade	IP 65
Dimmable	No Dimming, Flicker Free
