

## 100/150/200W POWER SELECTABLE FLOOD LIGHT

### SUPERIOR QUALITY & HIGH BRIGHTNESS

#### Features & Benefits

- Die-casting technology by ADC12, excellent thermal management, reduce the temperature difference and ensure the lumen depreciation.
- 4mm tempered glass, Integrated Breather Valve: Balances The Internal & External Temperature and Humidity
- Offset bracket design, Racked Angle  $\pm 120^\circ$  adjustable, Allows For Precise Installation
- Ingress Protection Rating: IP66
- Operation Temperature:  $-30^\circ\text{C}$  -  $+50^\circ\text{C}$
- CRI >80
- 5 years Warranty

150lm/W

IP66

IK08

Warranty

Power Selectable

## key Features

## Specifications

|                |                                  |
|----------------|----------------------------------|
| Model          | SE-FL04-C-200W                   |
| Watts          | 200W/150W/100W(Power Adjustable) |
| Input Voltage  | AC200-240V 50/60Hz               |
| Colour Temp.   | 5000K                            |
| Lumens Output  | 30000lm@200W                     |
| CRI            | Ra>80                            |
| Beam Angle     | 120°                             |
| Size           | 349*308*44mm                     |
| IP Grade       | IP 66                            |
| Dimmable       | NO                               |
| Housing Colour | Black                            |
| Net Weight     | 3.3KG                            |
