

## Product Features

- Three Circuit 4-Wire adaptor
- Arbitrary adjustment within the range of 24°-60°
- Angle with vertically 90° and horizontally 355°
- Compatible with leading & trailing edge dimmer
- Black housing or white housing available

## Technical Specification

|                  |                                         |
|------------------|-----------------------------------------|
| Model            | SE-BJ31-TC                              |
| Watts            | 25W/30W/35W                             |
| Input Voltage    | AC 240V 50/60Hz                         |
| LED Chip         | COB LED                                 |
| Colour Temp.     | 3000K/4000K/5700K                       |
| Lumens Output    | 2232lm(25W) / 2755lm(30W) / 3298lm(35W) |
| CRI              | Ra>90                                   |
| Beam Angle       | 24-60°                                  |
| IP Grade         | IP 20                                   |
| Adjustable Angle | Vertically 90°, Horizontally 355°       |
| Dimmable         | No                                      |
| Si32ze           | 170*Ø72*210mm                           |
| Housing Colour   | White / Black                           |
